

EDUCATION

COLLEGE EDUCATION -Sri Eshwar College of engineering	 8.09	2024-2028
SCHOOLING — Gov Girls Hr.Sec School, Pollachi	 90.5%	2022-2024
SCHOOLING — Gov Hr.Sec School, Singanallur	 89%	2021-2022

INTERNSHIP EXPERIENCES

Winter Intern – Embedded Systems and IoT 2025

Completed internship in Embedded Systems and IoT, gaining hands-on experience in microcontroller programming, sensor interfacing, and real-time embedded application development using Embedded C and Arduino platforms.

SKILLS ACQUIRED:

Embedded : Embedded C, Microcontroller Programming, Arduino, ESP32

IoT : Adafruit IO, IoT-based Monitoring, Real-Time Data Handling

Hardware : Sensor Interfacing (DHT11, Soil Moisture, Ultrasonic), Circuit Integration, System Testing

PROJECTS

Nutri Track 2024

Built an e-commerce website using HTML, CSS, and JavaScript for selling nutrition products with features like product browsing, cart management, and responsive design.

Missile Defense Radar System 2025

Designed a simulated missile defense radar system using Arduino, ultrasonic sensor, servo motor, and LEDs to detect multiple objects within 0–400 cm, calculate distance, and provide visual alerts, with Java handling control logic for reliable detection.

AI-Based Smart Irrigation & Plant Disease Prediction System 2025

Developed an AI-based smart irrigation system using soil moisture and DHT11 sensors for automated watering, integrated with IoT monitoring and AI-driven plant disease detection to improve water efficiency and crop health.

Sensor for Detection of Microplastics in Water 2026

Developed a low-cost, portable microplastic detection system using **ESP32-CAM**, **UV illumination**, and **OpenCV-based image processing** to enable real-time visualization and automated counting of microplastic particles, eliminating dependency on laboratory-based methods.

ACHIEVEMENTS

Creatathon :- Participated, presenting ideas under the “**Cake Boss – Pastry shop**”. 2024

Freshathon :- Participated and won **2nd RUNNER** on hardware “**Missile Defence Radar System**” 2025

CreateX Finalist :- Startup innovation program by **StartupTN** at Tirupattur 2026

Technovation’26 Finalist :- Innovation competition conducted by **Anna University** in Chennai 2026

CODING PROFILES

Leetcode:- Solved 72 problems | Global rank:20,64,146 | [link](#)

Skillrack:- Solved 1100+ problems | Received 17 certificates | 315 Bronzes | Rank:18076 | [link](#)

CERTIFICATIONS

Certificates for the completion of C Training and C++ Training	IIT Bombay	2024
Certification for Two-Dimensional Arrays and Pointers in C	Infosys	2024
Mastering Data Structures and Algorithms using C and C++	Udemy	2025
Java from Zero to First Job, Practical Guide, 2000+ examples	Udemy	2025
Certification for Completing Internship on Embedded Systems and IoT	NIELIT, Calicut	2025

TECHNICAL SKILLS

Languages	C, C++, Python, Java, MySQL, Embedded C, Assembly Level Program
Web Technologies	HTML, CSS, Javascript(Basics)
Core Concepts	OOP'S, Data Structures
Database	DBMS, MongoDB
Tools	VSCode, Canva, GitHub, GitBash(Basics), Word, Spring Boot, Arduino IDE, MySQL Workbench, Adafruit io, MIT, Blynk IoT, Arduino IoT Cloud Remote, Wokwi, Tinkercard, Proteus, Keil uVision, SciLab, Logisim, Thingspeak
